REMARKS

Status of the Claims

Claims 1-6, 8-14 and 16-21 are pending in the application. Claims 1-5, 11 and 21 are cancelled. Claims 6, 8-10, 12-14, and 16-20 are allowed. Claim 11 is rejected.

The 35 U.S.C. §112, first paragraph rejections

Claim 11 is rejected under 35 U.S.C. §112, first paragraph, as lacking enablement because the specification does not enable any person skilled in the art to which it pertains, or with which it is most nearly connected, to make and use the invention commensurate in scope with these claims. Claim 11 is cancelled herein, so that the rejection is moot. Accordingly, Applicant respectfully requests that the rejection under 35 USC 112, first paragraph, be withdrawn.

This is intended to be a complete response to the Office Action mailed April 5, 2007. If any issues remain outstanding, the Examiner is respectfully requested to telephone the undersigned attorney of record for immediate resolution.

Respectfully submitted,
